### AT THE AUDITORIUM.

**The Tango Tea Presented.**  
 Since the announcement of the tango contest to be held at the Auditorium on Thursday evening three local young men have given in their names and will compete for the \$5 gold piece trophy. The men have chosen members of the musical company as partners and the contest will take place right after the first show.  
 Those who have given their names to the management to compete, and the dances they have chosen, are as follows: George Garvey and Miss Violet Benson, onetwo; Louis Hall and Miss Dorothy Dean, heaviest; Michael Aidi and Miss Florence Clark, hesitation. It is quite probable that there will be others who will decide to enter before the contest starts.  
 At the performances on Wednesday Mr. Orth and Miss Lillian presented The Tango Tea before large sized houses. The ninth episode of the Ex-ploits of Elaine in two reels was the feature film, and the other reel was a Jester comedy, The Village Postmaster.

## AGAINST EXTRA FOR BAR LIBRARIES

New London County Delegation Votes 17 to 6 in Opposition to Additional Appropriations—\$1,000 Each for Norwich and New London Was Wanted—And \$3,000 Special for Norwich Library.

(Special to The Bulletin.)  
 Hartford, March 24.—An adjourned meeting of the New London county delegation in the general assembly was held Wednesday afternoon, the chairman, Senator Whitton, presiding. The meeting was for the purpose of considering the act now in the judiciary committee which provides for an annual appropriation by the county of \$1,000 each for the support and maintenance of the law libraries in Norwich and New London and an additional special appropriation of \$3,000 for the Norwich library. When the meeting adjourned on Tuesday a motion, presented by Mr. Taylor of Lebanon, was pending which recommended an adverse report on the matter from the judiciary committee, and Senator Whitton declared that this motion was properly in order.

Mr. Cronin of New London stated that he did not want to appear as being selfish in this matter, but they favored the bill especially in the interests of the state attorney and the judges of the courts.  
 Mr. Bailey of Norwich said there was merit in the bill as proposed, as the books were needed in the bar libraries of the county, and if the appropriations were made at this time heavier appropriations would come later.  
 Senator Hewitt said he was in a position like unto the devil and a deep sea, but he knew the real need of the books for the library, and that the judges were not satisfied with the present library conditions of New London county. On the other hand, he said he represented a district that was outside the county insofar as Norwich

and New London was concerned and was therefore on the outside looking in but that the shoeing district would be called upon to help pay the freight, and therefore he did not favor the measure too strongly. As he understood the Taylor motion, if it prevailed it would still permit the present annual appropriation of \$500 for each library.  
 Mr. Taylor said his motion referred only to the proposition that is at present with the judiciary committee. County Commissioners Smith and Langhorne said the commissioners were opposed to any increase in the appropriation for the county law libraries.  
 Mr. Crandall of Groton desired to be recorded as being opposed to the increase in the annual appropriation and against the special appropriation. He said the lawyers are good to themselves, but you can bet your last dime that if we give them a complete law library, all the books they want, there will be no reduction in their fees.  
 Vote was then taken on the Taylor motion asking for unfavorable report from the judiciary committee. Senator Barnes doubted the vote. A count showed that it was in favor of the measure, and among those voting against were Lawyers Cronin, Bailey, Hewitt and Barnes.

Representative Crandall of Groton was denied at this time to be a member of a committee to appear before the judiciary committee and submit the action of the members of New London county and ask for an adverse report.  
 Senator Barnes, in behalf of the county commissioners, offered the usual vote empowering the commissioners to borrow a sum not to exceed the sum of \$5,000 to meet the expenses of the county, if necessary.

### RETAIL MERCHANTS TO DISCUSS MERCHANTS' WEEK

To Decide Whether to Have Another for Norwich This Year.  
 Whether another Merchants week will be held this year is to be considered at a meeting of the retail merchants of the city which has been called for 4 o'clock this afternoon at the rooms of the Board of Trade in the Thayer building.  
 After the experience with Merchants week last year it was the general opinion that it was a remarkably successful affair that should be carried out each year and a large attendance of the retail merchants is looked for at this meeting to discuss the subject again.  
 The Norwich Merchants' week last year was held from April 18th to 25th inclusive, inducing many visitors to come to the city during that time, attracted by the many advantages offered by Norwich merchants and demonstrating that Norwich is the logical trading center for all the territory east of the Connecticut river. At that time the fares of patrons living in the neighborhood were rebated in proportion to the amount of their purchases.

## MY TRED FEET ACKED FOR "TIZ"

LET YOUR SORE, SWOLLEN, ACHING FEET SPREAD OUT IN A BATH OF "TIZ."

Just take your shoes off and then put those weary, shoe-crinkled, aching, corn-plagued, bunion-plagued, tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy; they'll look at you and almost talk and then they'll take another dive in that "TIZ" bath.  
 When your feet feel like lumps of lead, when you can't walk, when it's grand—it's glorious. Your feet will dance with joy; also you will find all sorts of relief from corns, callouses and bunions.  
 There's nothing like "TIZ." It's the only remedy that draws out all the poisonous exudations which put your feet and cause foot torture. Get a 25 cent box of "TIZ" at any drug or department store. Don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

## ENLIST AID OF STATE CHAMBER OF COMMERCE

Against Bill for Dismemberment of Town of Norwich.  
 The directors of the Norwich Chamber of Commerce met on Wednesday afternoon at 3 o'clock in the rooms in the transportation building at which action was taken to have the state chamber of commerce give its support against the partition of the town of Norwich as is intended by the bill which has been passed before the legislature and is coming up for a committee hearing next Tuesday in the capitol at Hartford.

Resolutions were adopted and a committee of three was appointed to cooperate in work in an effort towards defeating the proposed bill. The committee consisted of Robert McNeely, Otto E. Wulf and Frank J. Aubrey.  
 The following were the resolutions adopted:  
 At a meeting of the board of directors of the Norwich Chamber of Commerce, held in their rooms in the Transportation building March 24, the following preamble and resolutions were adopted:

Whereas, a movement is underway in the legislature to divide the town of Norwich, making two towns instead of one, thereby changing the boundaries that have been established for the town of Norwich, and  
 Resolved: That the Norwich Chamber of Commerce would respectfully urge the legislature to oppose the proposed bill, and to encourage other towns similarly situated to adopt measures of like nature, and be it  
 Resolved: That we urge upon the state body, of which we are affiliated, the great need of their support to defeat this and all similar measures that would have a tendency to destroy the commonwealth, therefore be it further  
 Resolved: That we would urge the state chamber to give all the necessary support within their power to defeat such a measure by appearing before the legislative committee hearing, Tuesday, March 30th, at the state capital, and by taking every honorable means at their disposal to encourage all senators and representatives to vote against the measure, therefore be it  
 Resolved: That a copy of these resolutions be sent to the secretary of the Connecticut Chamber of Commerce and to our senator and representatives of the town of Norwich.

Resolved: That our ex-president, Herbert R. Branche, be and is hereby instructed, to urge the state president and counsel of the chamber of commerce of this state to use their influence and all honorable means to prevent the passage of the proposed bill.  
 One of the points made in the discussion was that the creation of the town of Old Norwich out of the present town of Norwich would have more than local effect as other towns might desire to split up if they found that this proposition was carried through.

### ELECTIONS THROUGHOUT JAPANESE EMPIRE

Campaign Was Most Exciting and Extensive in History.  
 Tokyo, March 25.—Closing an exciting campaign during which the wives of several candidates at Tokyo made personal visits and appeals to the voters, a general election was held today throughout the Japanese empire to choose a new house of representatives.  
 The last House was dissolved by the emperor on Christmas day, 1914, because of its refusal to accept the military programme of the cabinet. Today's election, therefore, not only brings in a new house, but decides the fate of the cabinet headed by Count Shigenobu Okuma.  
 In the last diet the ministry was opposed by a majority of the cabinet, represented by the Seiyukai, or conservative party, be reformed, the cabinet might be reformed from office. According to latest forecasts, however, the independents are likely to be increased from 12 to 40 and thus hold the balance in the house.  
 The campaign has been the most exciting and extensive in the history of Japan. The candidates employed hundreds of canvassers and there were rallies in the streets and in halls throughout the entire country. The growth of democracy was evidenced by

## Horrid Pimples Kill Dimples

But Stuart's Calcium Wafers Will Remove the Unsightly Blemishes in So Short a Time as to Seem Almost Impossible of Belief.

The crowning beauty of a woman is her skin. She may have only ordinary features or even a coarse, heavy contour of face, but if she is the possessor of a fine, colorful skin, showing vigorous health and a pure blood, she will grow attractive to every eye.

The Girl: "Betty has a pretty face and cute dimples, but the pimples are horrid."  
 The Man: "Stuart's Calcium Wafers would remove them in a jiffy."

The great trouble with the majority of women is that they try to remove pimples by outside treatment, such as greases, massage, cosmetics, electricity, etc. These methods will not cure nor even temporarily remove pimples and facial disorders.

The difficulty is generally impure blood. The blood is a stream of waste matter filled with poisons. Its color is black or blue or brownish cast, instead of ruby red, as it should be. The best color always comes in youth, of course, but all the cosmetics in the world will not give the color if your blood is diseased or filled with impurities which it cannot remove or throw off.

Go to your druggist, whoever he may be, and he will give you a box of Stuart's Calcium Wafers, price 50c.

an increased appeal to the reason of the voters. Premier Okuma made a whirlwind campaign, speaking from a special train, while leaders like Yukio Kato, Minister of Justice, distributed their views by phonograph.

### SAGE TEA KEEPS YOUR HAIR DARK

It's Grandmother's recipe to bring back color, thickness and lustre—Everybody is Using it again.

Gray hair, however handsome, denotes advancing age. We all know the advantage of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and carelessly just a few applications of Sage Tea and Sulphur enhances its appearance a hundred fold.  
 Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50-cent bottle of "Wynne's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and gives you a soft, spongy or soft brush with it, drawing this through the hair, taking out small strands at a time. Just after the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.
